H-E-B is working with law enforcement authorities to recover cases of over-the-counter (OTC) and dietary supplements that were stolen in Dallas, Texas from a tractor trailer that was headed to H-E-B on March 3, 2010.

The stolen products are full cases of H-E-B labeled products that are [listed here](#), and which include Liquid Antacid Fast Acting Original, Daytime PE Original Liquid, Aspirin 81 mg. Chewable, and Ibuprofen 200 mg tablets.

All H-E-B OTC and dietary supplements sold in stores are done so with product seals to ensure product integrity and safety. Customers should not use any product that appears to have its packaging disturbed or altered in any way.

Anyone with information regarding this theft of products or who receive suspicious or unsolicited offers for the product in question are asked to contact the U.S. Food and Drug Administration (FDA) Office of Criminal Investigations at 1-800-551-3989 or by visiting the OCI Web Site <http://www.fda.gov/OCI>
